MANAGEMENT PROXY CIRCULAR

As at and dated May 13, 2026 (except as otherwise indicated)

FOR

**THE ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD ON WEDNESDAY, JUNE 24, 2026**

SOLICITATION OF PROXIES

This Management Proxy Circular (the “Management Proxy Circular” or “Information Circular”) is furnished in connection with the solicitation of proxies being made by the management of FansUnite Entertainment Inc. (the “Company”) for use at the Annual General Meeting of the Company’s shareholders to be held on June 24, 2026 (the “Meeting”) at the time and place and for the purposes set forth in the accompanying Notice of Meeting (the “Notice”). While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone or other means of communication by directors, officers and employees of the Company.

All costs of this solicitation will be borne by the Company.

The Company is using Notice-and-Access procedures for distributing proxy-related materials to shareholders and to Beneficial Shareholders (as defined herein).

APPOINTMENT AND REVOCATION OF PROXIES

Shareholders who do not attend the Meeting in person may vote by proxy if the shareholder is a registered shareholder, either by mail, by facsimile, or over the internet. Proxies must be received by Odyssey Trust Company, the Company’s transfer agent and registrar (the “**Transfer Agent**”), if by mail at 1310-1140 West Pender St, Vancouver, BC, V6E 4G1, by email (proxy@odysseytrust.com) or by facsimile (800.517.4553) or over the internet, as set out on the proxy, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the time fixed for the Meeting or any adjournment thereof, or delivering it to the chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting.

A proxy must be executed by the registered shareholder or his, her or its attorney duly authorized in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized. If the form of Proxy is executed by an attorney for an individual shareholder or by an attorney of a shareholder that is a corporation or association, the instrument so empowering the attorney, as the case may be, or a notarial copy thereof, must accompany the form of Proxy. If not dated, the Proxy will be deemed to have been dated the date that it is mailed to shareholders.

A shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for such shareholder and on his, her or its behalf at the Meeting other than the persons designated in the enclosed form of proxy. If you are returning your Proxy to the Transfer Agent, such right may be exercised by inserting in the blank space provided in the enclosed form of Proxy the name of the person to be designated or by completing another proper form of Proxy and delivering it to Transfer Agent as provided above, or to the Chairman of the Meeting.

Proxies given by shareholders for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the shareholder or by such shareholder’s attorney duly authorized in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing at the registered office, Suite 2700, The Stack, 1133 Melville St., Vancouver, BC V6E 4E5 at any time up

to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof;

- (b) with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (c) in any other manner permitted by law.

Only registered shareholders have the right to revoke a Proxy. Non-registered shareholders that wish to change their voting instructions must, in sufficient time in advance of the Meeting, contact their intermediary to arrange to change their voting instructions.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the accompanying form of proxy (the “**Management Designees**”) will vote the common shares of the Company (the “**Common Shares**”) in respect of which they are appointed in accordance with the direction of the shareholders appointing them. The Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and, if the shareholder specifies a choice with respect to any matter to be acted on, the Common Shares will be voted accordingly. **In the absence of such direction, where the Management Designees are appointed as proxyholder, such Common Shares will be voted in favour of the passing of the matters set out in the Notice and for the nominees of management for directors and auditor. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting or any adjournment thereof.** At the time of the printing of this Information Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **However, if any other matters which at present are not known to the management of the Company should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.**

ADVICE TO BENEFICIAL HOLDERS OF SECURITIES

The information set forth in this section is of significant importance to many shareholders of the Company as some shareholders do not hold their Common Shares in their own names (“Beneficial Shareholders”). Beneficial Shareholders should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Beneficial Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Beneficial Shareholder’s broker or an agent of that broker. In Canada, the majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depositary for Securities Limited, which acts as nominees for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. The Company does not know for whose benefit the Common Shares registered in the name of CDS & Co. are held. Therefore, Beneficial Shareholders cannot be recognized at the Meeting for the purposes of voting the Common Shares in person or by way of proxy except as set forth below. Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate persons.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker often is identical to the Proxy Form provided to registered Shareholders. However, its purpose is limited to instructing the registered shareholder (the

broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically provides a scannable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return by mail the voting instruction forms or proxy forms to Broadridge. Alternatively, Beneficial Shareholders can visit www.proxyvote.com, or call toll-free 1-800-474-7493 (English) or 1-800-474-7501 (French) to vote their shares using the 16-digit control number located on the voting instruction form. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at a meeting of shareholders. A Beneficial Shareholder receiving a voting instruction or proxy from Broadridge or another agent cannot use that proxy to vote Common Shares directly at the Meeting as the completed instruction or proxy must be returned as directed by Broadridge or another agent well in advance of the Meeting in order to have the Common Shares voted.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of the Beneficial Shareholder’s broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should enter their own names in the blank spaces on the form of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent) well in advance of the Meeting. The Company will NOT deliver proxy related materials directly to non-objecting beneficial owners and will NOT pay for the costs of delivery of proxy-related materials to objecting beneficial owners. As such, objecting beneficial owners will not receive proxy-related materials unless their intermediary assumes the costs of delivery.

If you are a Beneficial Shareholder and wish to vote in person at the Meeting, please contact your broker or agent well in advance of the Meeting to determine how you can do so.

Shareholders with questions respecting the voting of shares held through an intermediary should contact that intermediary for assistance.

All references to shareholders in this Information Circular and the accompanying form of proxy and Notice are to shareholders of record unless specifically stated otherwise.

Corporate Cease Trade Orders or Bankruptcies

Except as disclosed herein, during the ten years preceding the date of this Management Proxy Circular, no proposed director of the Company has, to the knowledge of the Company, been:

- (a) a director, chief executive officer or chief financial officer of any company that:
 - (i) was the subject of a cease trade or similar order or an order that denied such company access to any exemption under securities legislation that was in effect for a period of more than thirty consecutive days (an “**Order**”) while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
 - (ii) was subject to such an Order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer in the company that is the subject of the Order and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) a director or executive officer of any company that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of that company.

Penalties and Sanctions

No proposed director of the Company has been subject to any penalties or sanctions imposed by a court relating to Canadian securities legislation or by a Canadian securities regulatory authority or has entered into a settlement agreement with a Canadian securities regulatory authority or been subject to any other penalties or sanctions imposed by a court, or regulatory body that would likely be considered important to a reasonable security holder in deciding to vote for a proposed director.

Individual Bankruptcies

During the ten years preceding the date of this Management Proxy Circular, no proposed director of the Company has, to the knowledge of the Company, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

APPOINTMENT OF AUDITORS

In accordance with the recommendation of the Company’s Audit Committee, the Company’s board of directors (the “**Board**”) recommends that shareholders vote for the appointment of MNP LLP., Chartered Accountants (“**MNP**”) as the Company’s auditors to hold office until the next annual general meeting of shareholders of the Company at a remuneration to be fixed by the directors. MNP LLP was first appointed as the Company’s auditor on January 16, 2026, following the resignation of Link-It Accounting and Financial Services Inc., Chartered Professional Accountants (“**Link-It**”)

The foregoing resolution must be approved by a simple majority of the votes cast at the Meeting by the Shareholders voting in person or by proxy. **Unless otherwise directed, the Management Designees named in the accompanying Proxy Form intend to vote in favour of the appointment of MNP LLP as auditor of the Company, to hold office until the next annual general meeting of the Shareholders, at a remuneration to be determined by the directors of the Company.**

Change of Auditors Disclosure

Effective September 16, 2024, KPMG LLP (“**KPMG**”), on its own initiative, resigned as auditor of the Company. Following KPMG’s resignation, on February 4, 2025, when, on the recommendation of the Audit Committee, the Board appointed Link-It as auditor of the Company.

Effective November 10, 2025, Link-It, on its own initiative, resigned as auditor of the Company. Following Link-It's resignation, on January 16, 2026, when, on the recommendation of the Audit Committee, the Board appointed MNP as auditor of the Company to hold office until the next annual meeting of shareholders.

As required by section 4.11 of National Instrument 51-102 – *Continuous Disclosure Obligations*, copies of the Company's reporting packages prepared in connection with each change of auditor are attached as Schedule "C" hereto. Because each resignation occurred in advance of the appointment of the successor auditor, it was not possible to address both the former and successor auditors' details in a single notice of change of auditor. Accordingly, the Company filed separate notices upon each resignation and each subsequent appointment, together with the applicable response letters from the former and successor auditors, consisting of: (a) a notice of change of auditor dated September 20, 2024, regarding the resignation of KPMG; (b) the letter from KPMG, as former auditor, dated September 20, 2024; (c) a notice of change of auditor dated February 4, 2025, regarding the appointment of Link-It; (d) the letter from Link-It, as successor auditor, dated February 10, 2025; (e) a notice of change of auditor dated November 24, 2025, regarding the resignation of Link-It; (f) the letter from Link-It, as former auditor, dated November 25, 2025; (g) a notice of change of auditor dated January 16, 2026, regarding the appointment of MNP; and (h) the letter from MNP, as successor auditor, dated January 20, 2026.

Equity Incentive Plan

The Board adopted an omnibus equity incentive plan effective as of March 8, 2021, and as amended on May 10, 2023 (the "**Equity Incentive Plan**").

The Equity Incentive Plan permits the grant of Options, Restricted Share Units (“**RSUs**”), Performance Share Units (“**PSUs**”) Deferred Share Units (“**DSUs**”), and other share-based awards (“**Other Share-Based Awards**”) (collectively, the “**Awards**”) to eligible Participants (as defined in the Equity Incentive Plan). The purpose of the Equity Incentive Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified directors, employees and consultants of the Company, to reward those directors, employees and consultants as may be granted Awards by the Board from time to time for their contributions toward the long-term goals and success of the Company and to enable and encourage such directors, employees and consultants to acquire Shares (as defined in the Equity Incentive Plan) as long-term investments and proprietary interests in the Company.

The Equity Incentive Plan provides for the grant of Options, PSUs, RSUs, DSUs and Other Share-Based Awards, which may be denominated or settled in Common Shares, cash or in such other forms as provided for in the Equity Incentive Plan. All Awards will be evidenced by an agreement or other instrument or document (an “**Award Agreement**”).

The Equity Incentive Plan is administered by the Board, which may delegate its authority to any duly authorized committee of the Board (the “**Plan Administrator**”). The Plan Administrator has sole and complete authority, in its discretion, to:

- (a) determine the Participants (as defined in the Equity Incentive Plan) to whom grants of Awards under the Equity Incentive Plan may be made;
- (b) make grants of Awards under the Equity Incentive Plan, whether relating to the issuance of Common Shares or otherwise (including any combination of Options, RSUs, PSUs, DSUs or Other Share-Based Awards), in such amounts, to such Participants and, subject to the provisions of the Equity Incentive Plan, on such terms and conditions as it determines, including, without limitation:
 - (i) the time or times at which Awards may be granted;
 - (ii) the conditions under which: (A) Awards may be granted to Participants; or (B) Awards may be forfeited to the Company, including any conditions relating to the attainment of specified performance goals;
 - (iii) the number of Common Shares (as defined in the Equity Incentive Plan) to be covered by any Award;
 - (iv) the price, if any, to be paid by a Participant in connection with the purchase of Common Shares covered by any Awards;
 - (v) whether restrictions or limitations are to be imposed on the Common Shares issuable pursuant to grants of any Award, and the nature of such restrictions or limitations, if any; and
 - (vi) any acceleration of exercisability or vesting, or waiver of termination regarding any Award, based on such factors as the Plan Administrator may determine;
- (c) establish the form or forms of Award Agreements;
- (d) cancel, amend, adjust or otherwise change any Award under such circumstances as the Plan Administrator may consider appropriate in accordance with the provisions of the Equity Incentive Plan;
- (e) construe and interpret the Equity Incentive Plan and all Award Agreements;

- (f) adopt, amend, prescribe and rescind administrative guidelines and other rules and regulations relating to the Equity Incentive Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws or for qualifying for favorable tax treatment under applicable foreign laws; and
- (g) make all other determinations and take all other actions necessary or advisable for the implementation and administration of the Equity Incentive Plan.

(b) *Common Shares Available for Awards*

Under the Equity Incentive Plan, the maximum number of Common Shares issuable from treasury pursuant to Awards shall not exceed 10% of the total outstanding Common Shares from time to time. The Equity Incentive Plan is considered to be an “evergreen” plan, since the Common Shares covered by Awards which have been exercised or terminated will be available for subsequent grants under the Equity Incentive Plan and the number of Awards available to grant increases as the number of issued and outstanding Common Shares increases.

As at the date of this Information Circular, the number of common shares available for future grants of stock options under the Equity Incentive Plan is 50,411,582.

(c) *Limits on Grants of Awards*

The aggregate number of Shares: (i) issuable to Insiders (as defined in the Equity Incentive Plan) at any time under all of the Company’s Security Based Compensation Arrangements (as defined in the Equity Incentive Plan), will not exceed 10% of the Company’s total issued and outstanding Shares; and (ii) issued to Insiders within any one year period, under all of the Company’s Security Based Compensation Arrangements, will not exceed 10% of the Company’s total issued and outstanding Shares, provided that the acquisition of Shares by the Company for cancellation will not constitute non-compliance with this provision for any Awards outstanding prior to such purchase of Shares for cancellation.

(d) *Blackout Period*

In the event that the date of grant of an Award occurs, or an Award expires, at a time when an undisclosed material change or material fact in the affairs of the Company exists, the effective date of grant, or expiry of, such Award, as the case may be, will be no later than 10 business days after which there is no longer such undisclosed material change or material fact, and the Market Price (as defined in the Equity Incentive Plan) with respect to the grant of such Award will be calculated based on the five business days immediately preceding the effective date of grant (the “**Blackout Period**”). For greater certainty, this provision does not apply if the Blackout Period is imposed on the Company or the Insiders (as defined in the Equity Incentive Plan) by a regulatory authority as a result of a cease trade order.

(e) *Exercise of Compensation Securities*

No director of the Company or Named Executive Officer exercised any stock options during the financial years ended December 31, 2025 and 2024.

(f) *Description of Awards*

Subject to the provisions of the Equity Incentive Plan and such other terms and conditions as the Plan Administrator may prescribe, including with respect to performance and vesting conditions, the Plan Administrator may, from time to time, grant the following types of Awards to any Participant.

(g) *Options*

An Option entitles a holder thereof to purchase a Common Share at an exercise price set at the time of the grant, which price must in all cases be not less than the Market Price on the date of grant. Each option will expire on the expiry date specified in the Award Agreement (which shall not be later than the tenth anniversary of the date of grant) or, if not so specified, the tenth anniversary of the date of grant.

(h) *Deferred Share Units*

A DSU is a unit that vests upon grant but does not settle until a future date, generally as established in the Award Agreement, or if not so established, then upon termination of service with the Company. The number of DSUs (including fractional DSUs) granted at any particular time will be calculated by dividing (a) the amount of any compensation that is to be paid in DSUs, as determined by the Plan Administrator by (b) the Market Price of a Common Share on the date of grant.

DSUs shall be settled on the date established in the Award Agreement; provided, however that in no event shall a DSU be settled prior to, or later than one year following, the date of the applicable Participant's separation from service. Subject to the terms of the Equity Incentive Plan, and except as otherwise provided in an Award Agreement, on the settlement date for any DSU, the Participant will redeem each vested DSU for a Common Share, a cash payment, or a combination thereof.

Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, DSUs will be credited with dividend equivalents in the form of additional DSUs as of each dividend payment date in respect of which normal cash dividends are paid on Common Shares. Dividend equivalents will vest in proportion to the DSUs to which they relate and will be settled in the same manner as the DSUs.

(i) *Restricted Share Units*

A RSU is a unit equivalent in value to a Common Share that does not vest until after a specified period, or satisfaction of other vesting conditions as determined by the Plan Administrator. The number of RSUs (including fractional RSUs) granted at any particular time will be calculated by dividing (a) the amount of any compensation that is to be paid in RSUs, as determined by the Plan Administrator, by (b) the Market Price of a Common Share on the date of grant.

The Plan Administrator will have the sole authority to determine the settlement terms applicable to the grant of RSUs. Subject to the terms of the Equity Incentive Plan, and except as otherwise provided in an Award Agreement, on the settlement date for any RSU, the Participant will redeem each vested RSU for a Common Share, a cash payment, or a combination thereof.

Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, RSUs will be credited with dividend equivalents in the form of additional RSUs as of each dividend payment date in respect of which normal cash dividends are paid on Common Shares. Dividend equivalents will vest in proportion to the RSUs to which they relate and will be settled in the same manner as the RSUs.

(j) *Performance Share Units*

A PSU is also a unit equivalent in value to a Common Share that does not vest until after a specified period, or satisfaction of other vesting conditions as determined by the Plan Administrator. The Plan Administrator will issue performance goals prior to the date of grant to which such performance goals pertain. The performance goals may be based upon the achievement of corporate, divisional or individual goals and may be applied to performance relative to an index or comparator group, or on any other basis determined by the Plan Administrator. The Plan Administrator may modify the performance goals as necessary to align them with the Company's corporate objectives, subject to any limitations set forth in an Award Agreement or other agreement with a Participant. The performance goals may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified

payments will be made (or specified vesting will occur) and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur), all as set forth in the applicable Award Agreement.

Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, PSUs will be credited with dividend equivalents in the form of additional PSUs as of each dividend payment date in respect of which normal cash dividends are paid on Common Shares. Dividend equivalents will vest in proportion to the PSUs to which they relate and will be settled in the same manner as the PSUs.

Each PSU will consist of a right to receive a Common Share, cash payment, or a combination thereof, upon the achievement of such performance goals during such performance periods as the Plan Administrator may establish.

(k) *Other Share-Based Awards*

Each Other Share-Based Award shall consist of a right (a) which is other than an Award or right described above, and (b) which is denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Common Shares (including, without limitation, securities convertible into Common Shares) as are deemed by the Plan Administrator to be consistent with the purposes of the Equity Incentive Plan; provided, however, that such right will comply with applicable law. Subject to the terms of the Equity Incentive Plan and any applicable Award Agreement, the Plan Administrator will determine the terms and conditions of Other Share-Based Awards.

(l) *Effect of Termination on Awards*

The following table describes the impact of certain events upon the Participants under the Equity Incentive Plan, including termination for cause, resignation, termination without cause, disability, death or retirement, subject, in each case, to the terms of a Participant's employment agreement, Award Agreement or other written agreement:

Event Provisions	Provisions
Resignation or termination for cause	Forfeiture of any unexercised Option or other Award.
Termination without cause	Any unvested Options or other Awards held by the Participant as of the Termination Date shall be immediately forfeited and cancelled as of the Termination Date and any vested Options or other Awards held by the Participant as of the Termination Date may be exercised or surrendered to the Company by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the date that is 60 days after the Termination Date. Any Option or other Award that remains unexercised or has not been surrendered to the Company by the Participant shall be immediately forfeited upon the termination of such period.
Disability	Any Option or other Award held by the Participant that has not vested as of the date of the disability of such Participant shall continue to vest in accordance with its terms and may be exercised or surrendered to the Company by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the third anniversary of the Participant's date of disability. Any Option or other Award that remains unexercised or has not been surrendered to the

Event Provisions	Provisions
	Company by the Participant shall be immediately forfeited upon the termination of such period.
Death	Any Option or other Award held by the Participant that has not vested as of the date of the death of such Participant shall vest on such date and may be exercised or surrendered to the Company by the Participant at any time during the period that terminates on the earlier of: (A) the expiry date of such Award; and (B) the first anniversary of the date of the death of such Participant. Any Option or other Award that remains unexercised or has not been surrendered to the Company by the Participant shall be immediately forfeited upon the termination of such period.
Retirement	A retirement Option or other Award continues to vest in accordance with its terms and may be exercised or surrendered to the Company at any time during the period that terminates on the earlier of the expiry date and three years after retirement date to exercise. Any Option or other Award that remains unexercised or has not been surrendered to the Company by the Participant shall be immediately forfeited upon the termination of such period. If the Participant commences employment following retirement, any Option or other Award held by the Participant that has not been exercised as of such date is immediately forfeited.

Notwithstanding the foregoing, the Plan Administrator may, in its discretion, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator.

(m) *Change in Control*

Except as may be set forth in an employment agreement, Award Agreement or other written agreement between the Company or a subsidiary of the Company and the Participant or as set out in the Equity Incentive Plan, the Plan Administrator may, without the consent of any Participant, take such steps as it deems necessary or desirable, including to cause:

- (a) the conversion or exchange of any outstanding Awards into or for rights or other securities of substantially equivalent value, as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control (as defined in the Equity Incentive Plan);
- (b) outstanding Awards to vest and become exercisable, realizable or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control;
- (c) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction net of any exercise price payable by the Participant (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction, the Plan Administrator determines, in good faith, that no amount would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights

net of any exercise price payable by the Participant, then such Award may be terminated by the Company without payment);

- (d) the replacement of such Award with other rights or property selected by the Board in its sole discretion; or
- (e) any combination of the foregoing.

In taking any of the foregoing actions, the Plan Administrator will not be required to treat all Awards similarly in the transaction.

Notwithstanding the foregoing, and unless otherwise determined by the Plan Administrator or as set out in the Equity Incentive Plan, if, as a result of a Change in Control, the Common Shares will cease trading on a stock exchange, the Company may terminate all of the Awards granted under the Equity Incentive Plan at the time of and subject to the completion of the Change in Control by paying to each holder an amount for each Award equal to the fair market value of the Award held by such Participant as determined by the Plan Administrator, acting reasonably.

(n) *Assignability*

Except as required by law, the rights of a Participant under the Equity Incentive Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant unless otherwise approved by the Plan Administrator.

Amendment, Suspension or Termination of the Equity Incentive Plan

The Plan Administrator may from time to time, without notice and without approval of the Shareholders, amend, modify, change, suspend or terminate the Equity Incentive Plan or any Awards granted pursuant thereunder as it, in its discretion, determines appropriate, provided, however, that: (a) no such amendment, modification, change, suspension or termination may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Equity Incentive Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements; (b) any amendment that would cause an Award held by a U.S. taxpayer to be subject to the additional tax penalty under the U.S. tax code will be null and void with respect to the U.S. taxpayer unless his or her consent is obtained; and (c) any amendments to the Equity Incentive Plan or to any Awards granted pursuant to the Equity Incentive Plan are subject to applicable stock exchange approval, if any.

Without limiting the generality of the foregoing, but subject to the below, the Plan Administrator may, without shareholder approval, at any time or from time to time, amend the Equity Incentive Plan for the purposes of making:

- (i) any amendments to the general vesting provisions of each Award;
- (ii) any amendment regarding the effect of termination of a participant's employment or engagement;
- (iii) any amendments to add covenants of the Company for the protection of Participants, provided that the Plan Administrator must be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants;
- (iv) any amendments not inconsistent with the Equity Incentive Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Plan Administrator, having in mind the best interests of the Participants, it may be expedient to

make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Plan Administrator must be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants and non-employee directors; or

- (v) any such changes or corrections which, on the advice of counsel to the Company, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Plan Administrator must be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

The Company has no other form of compensation plan under which equity securities of the Company are authorized for issuance to employees or non-employees in exchange for consideration in the form of goods and services

EMPLOYMENT, CONSULTING AND MANAGEMENT AGREEMENTS

Graeme Moore is currently the only NEO paid for services to the Company as the CFO through an independent contractor agreement (the "**Contractor Agreement**") and is not remunerated for his interim CEO role. Mr. Moore's contractor agreement includes provisions regarding fees, confidentiality, non-solicitation and non-competition covenants, ownership of intellectual property rights, among other things. The confidentiality and intellectual property assignment provisions and the non-solicitation provisions under the agreements are market standard. Either party may terminate the contractor agreement following the Initial Term (as such term is defined in the Contractor Agreement) upon thirty (30) days' written advance notice to the other party.

Former NEOs Scott Burton and Ian Winter had contractual agreements with the Company (collectively, the "**Former Contractor Agreements**") to which compensation was paid for the year ended December 31, 2025 and is summarized elsewhere herein. Mr. Burton's contractor agreement was terminated on March 1, 2025 as a result of his resignation as CEO and director of the Company. Mr. Winter's contractor agreement completed on March 1, 2025 as a result of his resignation as COO of the Company. Please refer to the "Table of Compensation Excluding Compensation Securities" of this Information Circular for with respect to the termination payments of the Former Contractor Agreements.

Director Compensation

The Company pays its Independent Directors \$8,700 per quarter for their services on the Board. The Company also pays its Audit Committee Chair and Audit Committee Members \$2,800 and \$1,700 per quarter, respectively, for their services. The Company also grants from time to time incentive Options, PSUs, RSUs, DSUs and Other Share-Based Awards in accordance with the Equity Incentive Plan (as defined in the “*Equity Incentive Plan*” section of this Information Circular). The granting of Options and RSUs provide a link between director compensation and the Company’s share price. It also rewards directors for achieving results that improve Company performance and thereby increase shareholder value. In making a determination as to whether a grant of Options and RSUs is appropriate, and if so, the number of Options and RSUs that should be granted, the Board will consider: the number and terms of outstanding incentive stock options and RSUs held by each director; the value in securities of the Company that the Board intends to award as compensation; the potential dilution to shareholders and the cost to the Company; general industry standards; and the limits imposed by the terms of the Equity Incentive Plan. The granting of Options and RSUs allows the Company to reward the directors’ efforts to increase value for shareholders without requiring the Company to use cash from its treasury. The terms and conditions of the Company’s Option and RSU grants, including vesting provisions and exercise prices, are governed by the terms of the Equity Incentive Plan, which are described under the “*Equity Incentive Plan*” section of this Information Circular. The directors may be reimbursed for actual expenses reasonably incurred in connection with the performance of their duties as directors.

- (3) James Keane is the chair of the Audit Committee.

All of the proposed members of the Audit Committee are considered to be financially literate as required by section 1.6 of NI 52-110.

Relevant Education and Experience

Information regarding the relevant education and experience of the members of the Audit Committee is set out above in the sections titled "*Particulars of Matters to be Acted Upon – Election of Directors*". Each member of the Audit Committee has an understanding of the business in which the Company is engaged and has an appreciation of the financial issues and accounting principles that are relevant in assessing the Company's financial disclosures and internal control systems.

Reliance on Certain Exemptions

At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis Non-audit Services*), Subsection 6.1.1(4) of NI 52-110 (*Circumstance Affecting the Business or Operations of the Venture Issuer*), Subsection 6.1.1(5) of NI 52-110 (*Events Outside Control of Member*), subsection 6.1.1(6) of NI 52-110 (*Death, Incapacity or Resignation*) or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

The Company is relying upon the exemption in section 6.1 of NI 52-110 in respect of the composition of its audit committee and in respect of its reporting obligations.

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. National Instrument 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) the Company is required to disclose its corporate governance practices, as summarized below. The Board will continue to monitor such practices on an ongoing basis and when necessary implement such additional practices as it deems appropriate.

Board of Directors

The Company’s Board is composed of three directors. At the Meeting the Company proposes to fix the number of directors for the ensuing year at four (4).

Director Independence

The Board consists of three directors. A majority of the Board qualify as “independent”. An “independent” director is a director who has no direct or indirect “material relationship” with the Company. A “material relationship” means a relationship which could, in the view of the Company’s Board, reasonably interfere with the exercise of a member’s independent judgment. Section 1.4 of National Instrument 52-110 – *Audit Committees* contains further clarification of the meaning of “independence” and what constitutes a “material relationship”.

The Board has two “independent” directors: Mr. James Keane and Mr. Quinton Singleton. The remaining director, Mr. Chris Grove, is not considered “independent”. Graeme Moore, the new proposed director of the Company standing for election at the Meeting, will be considered, if elected, an non-independent director. In assessing the requirements under NI 58-101 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors. Directors are expected to attend Board meetings and meetings of committees on which they serve and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. While the board is not entirely “independent” the Board ensures independent judgement is used by relying on the Audit

Committee for significant financial and compensatory decisions. Additionally, when considering the constitution of the Board, the Company endeavors to ensure that individuals elected to the Board will act with integrity in exercising their judgment in the best interests of the Company and its shareholders. Independent directors have informal conversations that exclude non-independent directors and members of management to facilitate open and candid discussion.

Board and Committee Meetings

Please refer to the disclosure in “**Election of Directors**” section of this Information Circular.

Board Mandate

The Board of Directors has adopted a written mandate for the Board which is attached hereto as Schedule “B” and is posted on the Company’s website at <https://fansunite.com/investors/>.

The Board facilitates independent supervision of management through meetings of the Board and through frequent informal discussions among independent members of the Board and management. In addition, the Board has access to the Company’s external auditors, legal counsel and to any of the Company’s officers.

The Board has a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to management, evaluate management, set policies appropriate for the business of the Company and approve corporate strategies and goals.

The Board delegates the day-to-day management of the business and affairs of the Company to the senior officers of the Company.

The Board discharges its responsibilities directly through its committees, currently consisting of the Audit Committee. The Board recommends nominees to the shareholders for election as directors, and immediately following each annual general meeting appoints an Audit Committee.

The Board exercises its independent supervision over management by its policies that (a) periodic meetings of the Board be held to obtain an update on significant corporate activities and plans; and (b) all material transactions of the Company are subject to prior approval of the Board. To facilitate open and candid discussion among its independent directors, such directors will be encouraged to communicate with each other directly to discuss ongoing issues pertaining to the Company.

Orientation and Continuing Education

The Board has not adopted formal policies respecting continuing education for Board members. Board members are encouraged to communicate with management, legal counsel, auditors and consultants of the Company, to keep themselves current with industry trends and developments and changes in legislation with management’s assistance, and to attend related industry seminars and visit the Company’s operations. Board members have full access to the Company’s records.

Ethical Business Conduct

The Board promotes ethical business conduct by nominating Board members it considers ethical, by avoiding or minimizing conflicts of interest and by having a sufficient number of its Board members independent of corporate matters.

The Board has found that the fiduciary duties placed on individual directors by governing corporate legislation and the common law, and the restrictions placed by the British Columbia *Business Corporations Act* (the “**BCBCA**”), on an individual director’s participation in decisions of the Board in which the director

has an interest, have helped to ensure that the Board operates independently of management and in the best interests of the Company.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of a company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In addition, if a director of a company also serves as a director or officer of another company engaged in similar business activities to the first company, that director must comply with the conflict of interest provisions of the BCBCA, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors that evoke such a conflict. The Board requires that directors provide disclosure to it of all boards and committees of which they are members and all offices held in other reporting issuers. The Board also requires conflicts of interest to be disclosed to the Board. In the event that conflicts of interest arise, a director who has such a conflict is required to disclose the conflict and to abstain from voting for or against any decision related to that matter. In addition, in considering transactions and agreements in respect of which a director has a material interest, the Board will require that the interested person absent themselves from portions of Board or committee meetings so as to allow independent discussion of points in issue and the exercise of independent judgment.

The Board has adopted a number of policies and guidelines to encourage and promote a culture of ethical business conduct, including a code of business conduct (the “**Code of Business Conduct**”), an insider trading policy (the “**Insider Trading Policy**”, a disclosure and confidentiality policy (the “**Disclosure and Confidentiality Policy**”), and a whistleblower policy (the “**Whistleblower Policy**”), all of which are available on the Company’s website at <https://fansunite.com/investors/>. Each of these policies identifies clear protocol for stakeholders to escalate issues via either prescribed reporting lines or to designated individuals responsible for executing our policies.

The Code of Business Conduct sets the guidelines and expectations regarding conduct on the part of directors, officers, employees and contractors of the Company. All directors of the Company are required to acknowledge, via an annual electronic survey, that they are familiar with and understand the Code of Business Conduct and that they are in compliance with it.

The Insider Trading Policy provides additional measures to ensure ethical business conduct, such as policies and requirements regarding insider trading and trading black-out periods. The Board monitors compliance with the Insider Trading Policy through various means, including requiring all corporate personnel to sign a certificate upon employment and periodically certifying compliance. The CEO and the CFO are responsible for administering the policy, monitoring reporting by reporting insiders, organizing training sessions, and proposing revisions to the policy as necessary. The CEO and CFO periodically request confirmation from reporting insiders to ensure that reported results remain current. This monitoring is intended to detect any inadvertent breaches of the Insider Trading Policy and to remedy those situations promptly.

The Disclosure and Confidentiality Policy provides the approach of the Company to disclosure of material information and maintaining the confidentiality of information. This policy is intended to complement the Company’s existing Insider Trading Policy. The Board monitors compliance with the Disclosure and Confidentiality Policy through various means, including requiring all corporate personnel to sign a certificate upon employment and periodically certifying compliance.

The Whistleblower Policy provides an avenue for directors, officers and employees of the Company to express concerns regarding the Company’s accounting policies; financial reports; money laundering and funding of terrorism; fraud or misappropriation of funds; failure to comply with or breach of, legal or regulatory requirements; bribery and corruption; illegal conduct, such as theft, violence or threatened violence and criminal damage against property; danger to health and safety; danger to the environment; breach of customer confidentiality and privacy discrimination and harassment; engaging in or threatening to engage in detrimental conduct against a person who has made a disclosure or is believed to have made

or to be planning to make a disclosure, without adverse employment consequence. Members of the compliance forum (the “**Compliance Forum**”) are responsible for overseeing the monitoring of and response to concern. The Compliance Forum is responsible for establishing procedures with regards to the receipt, retention and treatment of concerns, including procedures with regard to confidential submission of concerns. The Compliance Forum is also responsible for reviewing this policy and whistleblower procedures, developing employee awareness initiatives (sharing best practices, training, communication materials) and appointing responsible persons to carry out these initiatives, appointing Whistleblower Report Officers, and advising senior management on the implementation and embedding of this Policy.

Nomination of Directors

The Company does not have a stand-alone nomination committee. The full Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the industry are consulted for possible candidates. It is not anticipated that the Board will adopt a formal process to determine new nominees in the next year.

Compensation

The Board will conduct reviews with regard to directors’ and officers’ compensation at least once a year. For information regarding the steps taken to determine compensation for the directors and the executive officers, see “*Statement of Executive Compensation – Named Executive Officer Compensation*” herein. For more information on the Compensation

Other Board Committees

The Board has no other committees other than the Audit Committee.

Audit Committee

For additional information with respect to the Audit Committee of the Company, see “*Audit Committee*”.

Assessments

The Board and each individual director are regularly assessed regarding their effectiveness and contribution. The assessment considers and takes into account: (1) in the case of the Board, its mandate; and (2) in the case of an individual director, the applicable position description(s), if any, as well as the competencies and skills each individual director is expected to possess.

outstanding voting securities of the Company, other than voting securities held by the person or company as underwriter in the course of a distribution.
